EXPERIENCE

Ubicquia, Fort Lauderdale, FL — UI/UX Intern

June 2023- August 2023

Used my knowledge of Blender to optimize the creation of Computer generated images.

Automated the generation of 100,000 frames and created procedurally generated materials that adapted to different models and conditions.

Miami Jewish Health Systems, Miami, FL — Muralist

June 2019- June 2021

improving living conditions for residents, and collaboratively creating a mentally stimulating environment to assist in the treatment of Alzheimer's patients.

Red Cross Pillowcase Project, Miami, FL — Educator

June 2020- June 2021

Lead sessions of a disaster preparedness education program for grades 3-5. We focused on teaching students about essential safety skills, local hazards, and trauma coping skills.

NoMoreStalling, Miami, FL — Co-Founder

August 2017- August 2019

Ran a successful mental health awareness campaign that partnered with the entirety of the Miami Dade School system, Placing plaques with confidential hotlines to help at-risk kids in all 6-12 schools.
